Canyon

Pima Cotton • Undyed Alpaca

Canyon is part of our MountainTop Collection of naturally undyed yarns. Pima cotton combines with just a hint of undyed alpaca, to create a smooth and silky yarn in a perfect weight for summer – each hank has 155 yards and knits at a suggested gauge of 6 sts per inch. The four subtly toned neutral shades are sure to compliment everything in your summer wardrobe. Canyon looks great in stitches ranging from plain Stockinette or Garter stitch to intricate lace and cables.

From the Designer

This sweet little shawllet is easier than it looks. So easy it's not even charted. Some simple slip stitches and basic increase skills are all you need to work up this beauty. It uses MountainTop Canyon, a perfect cotton-alpaca blend that is easy on the hands and soft and light on the shoulders.
