Seedling

Organic Cotton

Part of the Verde Collection of environmentally conscious yarns, Seedling is a machine washable organic cotton in both solid and handpainted colors. This yarn has the same wonderful texture and softness as Sprout but in a lighter weight. Seedling's organic fiber is more robust and less stressed by chemicals than non-organic cotton, which increases its absorbency and color intensity.

SKILL LEVEL

Intermediate

FINISHED MEASUREMENTS

13" wide and 26" long

YARN

Seedling, Verde Collection by
Classic Elite Yarns

(100% organic cotton; 50 g =
approx 110 yards)

3 hanks 4588 Persimmon
