Allegoro Napkin Edging

Designed by: Andi Clark

Allegoro
70% organic cotton, 30% linen

Allegoro is a blend of 70% organically grown cotton and 30% linen: enough linen to give a summery linen crispness and cotton to add softness and keep the yarn from getting too wiry (as pure linen is prone to do).

In keeping with its earth-friendly fiber content, Allegoro is dyed using GOTS certified non-toxic dyes. (You can find out more about GOTS standards here: www.global-standard.org.) These dyes yield beautiful soft colors and Allegoro comes in 13 enticing shades.
