NOTES:
1. The mittens are worked in the round on double pointed needles. If you prefer, you can work the mittens using two circular needles. To work mittens on two circulars, place 31 sts on Needle 1 and 29 sts on Needle 2.
2. Mittens are worked using the same number of sts for all sizes. The finished measurements for each size are achieved by using different needle sizes.
3. The colorwork pattern uses stranded (Fair Isle) technique, for long color repeats, catch unused color strand.

RIGHT MITTEN
With MC and appropriate dpns for your size, CO 60 sts. Arrange sts as follows: 15 sts on Needle 1, 16 sts on Needle 2 and 29 sts on Needle 3. Place marker (pm) and join in the rnd, being careful not to twist sts. Work rnds 1 – 35 of Mitten chart.

Place Thumb, Rnd 36:
K1 in MC, k13 with waste yarn and slip these 13 sts back to LH needle and knit in MC, work in patt to end of rnd. Work through Rnd 84 of chart – 10 sts rem. Break yarn leaving approx 10” tail and graft top of mitten using Kitchener St.

THUMB
Carefully remove waste yarn and distribute 26 thumb sts as evenly as possible to 3 dpns. Join MC at the inside of thumb and work 13 sts in MC. Join CC at the outside of thumb and work Rnd 1 of Thumb chart to end of rnd. Work rnds 2 – 22 of Thumb chart — 6 sts rem. Break yarn leaving approx 6” tail. Thread tail through rem sts, draw up tightly and fasten off.

LEFT MITTEN
Work as for right mitten until rnd 35 is complete. Place Thumb, Rnd 36: Work 17 sts in patt, k13 with waste yarn and slip these 13 sts back to LH needle and knit in MC, work in patt to end of rnd. Cont as for right mitten.

FINISHING
Use tails to close up any holes where thumb joins the hand. Cuff: Fold hem to WS of mitten at picot rnd and carefully slip stitch in place. Block to measurements.
